

INTERNAL CHECKLIST – Institution sourcing Rotary Startup Award 2026

1. Target institutions

- Incubators, accelerators, schools, universities, labs, entrepreneurial networks
- Institutions with active startup deal-flow
- France and Germany as priority
- Quality over quantity (20–30 institutions max per region)

2. Preparation before outreach

- Check legitimacy and reputation of the institution
- Identify a decision-maker
- Choose the appropriate language (FR / EN / DE)
- Select long or short email depending on context
- Prepare poster, website link and FAQ if needed

3. Key messages (mandatory)

- Institution plays a central and structuring role
- Non-commercial and non-paid initiative
- No operational constraints
- Optional participation in the jury
- Eligibility criteria are indicative and non-exclusive

4. Outreach & follow-up

- Personalized email (name + institution)
- Soft follow-up at D+7 if no response
- Final follow-up at D+14 maximum
- No insistence beyond that point

5. KPIs & golden rule

- Target response rate $\geq 30\%$
- 5 to 10 active institutions per region
- Always position the Award as a service to the ecosystem, not commercial
